RUNNING ON 2+ MACHINES:

STEPS:

ON ALL MACHINES RUN:

```
$ iex –name node@IPAddress –cookie chocolate -S mix
```

CONNECT TO OTHER MACHINE:

```
iex>Node.ping :"node2@IP"
iex>MainModule.list                    (Will list all connect nodes)
iex>Proj1.main(N,K)                     (run from your server machine)
```
